The President,

District Board,

South Kanara,

Humble memorial of K.Shankar Naik, Bill Collector, Kasaragod, under the District Board of South Kanara,

Sir,

Subject: Notice of discharge of Bill Collectors--as per Ref. A.3/9407 of 1941 dated 23-10-1942 of the District Board, South Kanara--re-absorption of service in the District Board, S.Kanara--orders solicited.

Your above named humble memorialist begs to submit before you the following facts on his behalf and your kind favourable orders thereon.

2. That he was first appointed as a temporary Bill Collector, Mangalore under the District Board, South Kanara as per its R.C. No. 1239/C 1/34 dated 19-1-1935.

3. That he has passed S.S.L.C. Examination in March 1932, he being also declared eligible for the University course of study(Please vide page 55 of the Fort St. George Gazette dated 1-11-32.)

4. That his temporary service was terminated as per order R.O.C. No. 3965/A 3/ 36 dated 31-3-1936 of the District Board of South Kanara.

5. That your memorialist was again appointed as a temporary Bill Collector, Kasaragod, under the District Board, as per its R.C.No. 11024/A 3/ 36 dated 16-1-1937. Hence begins the continuous service since 19-1-1937..

6. That he was confirmed in his post with effect from 25-11-1937 as per Ref. C.No. 1777/ A 3/39 dated 12-3-1939 of the District Board, S.Kanara, which seems to have relied for its authority for that act on Government Order No. Ms. 4362/ L.A. dated 25-11-1937. This memorialist has also been sanctioned his first increment in the District Board Memorandum L.Dis. No. 2065/39 dated 8-12-1939.

7. This humble memorialist has now been shocked in spite of his uniform and satisfactory kind of work in that office on his behalf to receive the discharge notice Ref. A 3/9407/41 dated 23-10-42 of the District Board of South Kanara ordering his discharge from service merely on the score of his not possessing sanitary Inspector's qualifications.

8. Regarding the non-possession of Sanitary Inspector's qualifications, by him, your Memorialist begs to point out that had he been intimated by his competent authority about the need of his requiring the said qualification, he would have sufficiently early complied with that qualifications also long before this time. But unfortunately he having not been intimated of this necessity, by the concerned authority before

this order, by him, he was prevented from equipping himself with the above mentioned qualifications.

9. In view of the circumstances set forth in para 8 supra, your memorialist will suffer very severely if the order passed in the above quoted Ref. A3/32407/41 dated 23-10-1942 of the District Board, South Kamara is enforced and that also too late in the day when chance for better appointment under the said Board are nil, he being 30 years old.

10. Your memorialist therefore begs to submit that in case Sanitary Inspector's qualifications are to be insisted upon he is even now ready to equip himself with the said qualification, should you be pleased to order him to do so, provided he is assured of a lien in his present permanent post under the District Board and also the said District Board is agreeable to depute him at its own cost for the said course of Sanitary Inspector's training.

11. If the request made in para 10 supra is not feasible, your memorialist further begs to lay before you a humble request that he may either be given an exemption from possessing the above shown qualification for continuance in his present post as a special case or he may be absorbed by his appointment of the District Board by his appointment at least as a clerk as he is already a S.S.L.C passed candidate of 1932 eligible for the University Course.

12. Your memorialist begs to point out that he belongs to

to the Parivara Bunt community (Non-Brahmin-Hindu of South Kanara) which is backward not only economically but also educationally. As such it is very poorly represented in any of the public services of the country. The throwing out of employment of this memorialist consequent upon the above quoted order Ref. A 3/9407/1941 dated 23-10-1942 of the District Board, South Kanara will also result in denying of sources of income of 7 members who are entirely dependent upon him.

13. Your memorialist therefore humbly begs to submit that on a kind and sympethetic consideration of the several facts submitted above, you may be graciously pleased to confer upon him an exemption so as to enable him to continue in his present establishment or your honour may be pleased to move the District Board of South Kanara to confer on him at least the post of a clerk in a permanent vacancy of its establishment.

14. It is also further prayed that he may be pleased to issue an early order on the above request so as to enable your memorialist securing a continuance in service from the date on which the order contained in the already above quoted Ref. A 3/ 9407/41 dated 23-10-1942 of the District Board, South Kanara, is to come into force.

Kasaragod.

Humble Memorial of K.Ammanna Bangera,
Bill Collector, under orders of
discharge, Mangalore.

Dated 1-12-1942.

Most humbly sheweth,

Your memorialist is a Bill Collector under the service of the South Kanara District Board, for the collection of licence fees for offensive and dangerous trades. He was entertained in the service in 1935 and was ~~confirmed~~ Confirmed in 1940.

2. The memorialist has thus a continuous, faithful and unblemished service in the District Board service for about 17 years.

3. The memorialist is now served with a discharge notice (Copy enclosed) by the President, District Board, South Kanara, on the ground that he is not a qualified man to hold the post of a licence Inspector.

The memorialist is hi
discharging him from service merely on the ground that he does not possess the requisite qualification.

5. The nature of the work of a Licence Inspector is more or less analogueus and similar to that of a Bill Collector, his duties are mainly concerned with the collection of licence fees. The memorialist begs most respectfully to state that the inspection of sanitary condition of offensive and dangerous trades is not such as to require the entertainment of a highly qualified staff. The Memorialist feels that the ordinary experience and common knowledge of sanitation would be ample in the case of trades and the Bill collectors would be able to do this work.

6. Supposing that special and higher -- knowledge would be necessary, the Health Inspectors who tour round the Taluk in their jurisdiction usually have been and are doing this work, at any rate, the memorialist considers that it would be really cruel to deprive their means of living, especially, when they have gained good knowledge of their work, merely to provide for qualified Licence Inspectors.

7. The conditions prevailing in this District are such as not to affect the sanitary condition in any way. The houses and promises of offensive and dangerous trades are not close to one another in a road, but are scattered here and there and long distances -- apart, and hence the condition of sanitation has not and cannot deteriorate in any way, and so, the entertainment of qualified Licence Inspectors, in the humble opinion of the Memorialist, is not absolutely essential.

8. Not-withstanding this fact, if it is considered that qualified men are indispensable for the work, the Bill Collectors now in service may be given a suitable training for a definite period under the District Health officer in the line and be asked to do the work what is expected to be done by the Licence Inspectors.

9. In view of the fact that the memorialist has put in sufficiently long service to the entire satisfaction of all the superior officers and there being not a single case of bad sanitary condition in the discharge of the duties, the Government may be pleased to consider the case of the memorialist sympathetically agreeably to G.O.No. 3111 L.A., dated 12-11-41 and be pleased to permit the South Kanara District Board to continue him in service as a Licence Inspector or at least as a Bill Collector. (E)

For which act of kindness and generosity, the memorialist ever remains grateful.

The memorialists are bill collectors under the S. Kanara Dt. Bd., who attend to the collection of licence fees relating to dangerous and offensive trades. The proposal of the P.Dev. to appoint them & 2 other bill collectors as licence inspectors, was not recommended approved by the D.P.I. and was turned down by Govt. The memorialists have now been served with notice of discharge from service. The P.Dev. requests that they may be appointed as licence inspectors after granting them the necessary exemption.
